

From the President's Desk.... #7

December 7, 2018

Dear Homeowners,

Normally this week I could give you a summary of the past Board meeting agenda items and actions taken. However, as you are aware, the November meeting was postponed because of a pending snowstorm and has now been combined with the January meeting.

So, I would like to take this opportunity to make you all aware of our new redesigned website:

<https://juniperridgeresort.com/>.

For the past six months, a committee of both staff members and volunteers have been busy at work on the redesign. Hats off to our General Manager, Phil Phillips, our Assistant General Manager, Gloria Bushnell, our bookkeeper Shannon Corey and our wonderful and dedicated committee volunteers; Dennis McMullen, Ellen

Bromley, Charles Eisenbise, Margaret Serafin and Snookie Quinn whose expertise and creativity have brought this project to completion.

The three goals of the redesigned website were:

- To make it more customer friendly.
- To make it interactive (you can now fill out forms directly on-line). And finally,
- To give it a more up-dated and current look.

Please take a few minutes to scroll through the website and become familiar with the different sections.

Horizontally across the top you will see six major tabs, most with a “drop-down.” There’s the **Home** tab with nine sub-tabs. Next, the **Sign-in** section. Next, the **Homeowners** tab with eleven sub-tabs. Next, the **Renters** section and then the **Golf Course** Section. Finally, the **Activities** section.

For example, under the **Homeowners** section you will find sub-tabs for the Resort’s Homeowners Directories, Documents, Policies and Procedures, Information on the Board of Directors, Letters from the President (really important!), Board Minutes and the Financials.

Under the **Activities sub-tabs**, you will find the monthly Activities Calendar, the Monday Morsels and groups and classes.

For those looking for quick information, click on one of the four boxes: **Who is Who at Juniper Ridge Resort, Amenities, Activities or Events at Juniper Ridge Resort.** This is where you can buy tickets on line.

If you're not computer savvy, the new website may seem overwhelming, but trust me, it's really not that hard to maneuver through. Just experiment and you may surprise yourself!

For those who may not own a computer, there will be a special **Computer Kiosk** in the front office. Our staff will help you log on to find information, fill out forms or order tickets on line. This computer has access limited to the Juniper Ridge website.

**The Juniper Ridge website is the only official website of the Juniper Ridge Resort.**

There are also two Facebook sights that bare the name Juniper Ridge. One is the **Juniper Ridge RV Resort** Facebook page. This Facebook page is maintained by Snookie Quinn, Dennis McMullen and Alex Shaffer.

The second Facebook page is the **Voice of Juniper Ridge**. This Facebook page is maintained by Keith Baker. The Voice of Juniper Ridge is a public forum- anyone can put anything on it or say anything that they want to or about others if it's factual or not. It's a place where individuals are free to express their opinion.

The **Voice of Juniper Ridge Facebook** *is not authorized by nor in anyway affiliated with the Juniper Ridge Resort, its employees or the Board of Directors*. If you want accurate information and not simply someone's opinion, go to the official **Juniper Ridge** website. The Facebook provides opinions. The website provides facts.

One of the goals of your Board of Directors is greater communication with homeowners. Hopefully through our new redesigned web site, President's Letter, year-round Town Hall Meetings and open Board and Committee meetings, we are moving to achieve that goal.

Carpe Diem,

Larry Weidner, President
