

## JRR POOL ROOM GUIDELINES

We will begin using 3 tables and as the number of participants increases more tables will be opened.

- Stay home if sick
- Stay at least 6 feet from other players
- Do not touch your eyes nose or mouth
- Wash hands immediately before and after removing the table cover
- Clean all balls with alcohol before and after your playing session
- Wipe rails with alcohol before and after your playing session, if you need to put your hand on the rail during play, please use a cloth under your hand or sanitize your hand before touching the rail.
- Only one person handles the balls at a table.
- Wash hands or sanitize before and after using a House cue or bridge, use your own equipment when possible.
- Players at one table should use separate chairs, and use only that chair for themselves. Chairs should be sanitized before and after the playing session.
- Wash or sanitize your hands after leaving the pool room.
- No tournaments until further notice
